- 4,000 Beneficiaries of Eye Care/Surgeries
- 1,200 Beneficiaries of Microcredit schemes
- 2,430 Beneficiaries of Training/Empowerment programs with financial support and start up kits
- FG-funded Projects: Roads, School Renovations, Distribution of Educational Materials to students, Solar Street Lights, Boreholes, Transformers, Flood and Erosion Control etc

OGD: Landmark Achievements in Ogun State as Governor

1. Built the Gateway International Stadium, Ijebu Ode
2. Built the Sagamu International Stadium
3. Built the NYSC Permanent Orientation Camp in Sagamu (the best so far in Nigeria)
4. Established the Abraham Adesanya Polytechnic, Ijebu Igbo
5. Established the Gateway Industrial and Petro-Gas Institute (GIPI) in Oni, Ogun Waterside
6. Established the Gateway Polytechnic, Saapade (with over 7,000 students attending)
7. Conceptualised, Initiated and started the Ogun State Agro-Cargo Airport, Ilishan/Iperu in Remoland
8. Built the Sagamu International Market
9. Established the Tai Solarin University of Education, Ijagun (first of its kind in Nigeria)
10. Established the Sagamu Industrial Estate Corridors (providing jobs for thousands of citizens in and outside Ogun East Senatorial district and increasing the economic base of the people around the area)
11. Established the Traffic Compliance and Enforcement (TRACE) and providing jobs for citizens
12. Employed over 16,000 teachers in his eight years as Governor (under the Voluntary Teachers Service -VTS scheme)
13. Doubled the Ogun State Civil Service workforce as a way of providing jobs for the army of youth in the state. Many Ogun East senatorial district citizens are beneficiaries.
14. Initiated the Olokola Free Trade Zone, OKFTZ (with several components including the OKLNG, OK Deep Sea Port, OK Fertilizer company etc).
15. Implemented the multi campus system of the Olabisi Onabanjo University (OOU) and moved OOU to its permanent site in Ago Iwoye.
16. Established the Ogun State Employment Generation Program (OGEGEP) to train artisans and empower them to be self employed.
17. Established the Ogun State Agricultural and Micro Credit Agency (OSAMCA) to provide financial supports to small and medium scale business owners (market women, farmers etc)
18. Created the Ogun State Graduate Scheme (OGUNGRAD) to provide temporary jobs and financial supports to Graduates of Ogun State origin while they are still searching for jobs. They are fixed in employment as soon as there are opportunities in government service.
19. Created Ogun State Rural Medical program (OGRUMED) to provide primary and secondary health care services for citizens in rural areas.
20. Established the Ogun State Human Capital Development (HUCAP) programme under which First Class graduates of Ogun State are sponsored on scholarships for Post Graduate studies in some of the best universities in the world. Hundreds of citizens, young graduates benefitted from this program and they are all doing well in their various fields all over the world.
21. Organised the best (and records yet to be beaten 16 years after) National Sports Festival (Gateway Games) in Nigeria's history. The very first and the last time that athletes from all states of the federation were accommodated and catered for by the Host State; first and the last Sports Festival to declare profit after hosting. The Games changed the total economic landscape of Ogun State from a sleepy Civil Servants state to an Industrial and economic hub.
22. Established the Ogun State Electricity Project (OGSEP) that kept constant and urgent maintenance of Electricity facilities in Ogun State.
23. Established the Ogun State Road Management Agency (OGROMA), which tapped into local competencies and expertise in the building of roads at the cheapest cost. NOTE: In OGD's eight years as Governor, he never awarded a single road contract to any foreign company. Three newly built stadia were constructed and one renovated by local contractor owned by competent engineers of Ogun State origin, therefore keeping Ogun State money in Ogun State.

There is practically no part of Ogun State that OGD did not have his footprint of development.

OGD! SERVICE BEYOND SELF TESTIMONIALS

Your excellency sir, some of us are not surprised at the accolades you're receiving now. You came into Ogun State when the gentle giant was sleeping. You opened the doors of business to all and sundry. You created an enabling environment for businesses to thrive. Majority of the banks that are in Ogun State today came there because of your immense work and goodwill. Oke-ilewo became the business district of Abeokuta the capital of Ogun State. You dualised the road from Sagamu to Abeokuta. Even before you were sworn in as Governor of Ogun State, you repaired the federal road from Sagamu to Ijebu-Ode. There are so many I cannot count. So I'm more than right to say you're a trailblazer and you will always be one. I appreciate what you did in Ogun State. It is your legacy that all the two governors after you are working on. You opened the eyes on Nigerians to the enormous importance of Ogun State to Nation building. Thank you for all you've done and still doing. Congratulations on this award, it is well deserved.

- **Tokunbo Ogunfodun, Banker**

Dear OGD,

Gifts come and go, what really matters are the people who light up our lives all year long. Thank you Oga. Some years I followed you, I achieved alot-built a house, bought a car and set up a bread bakery. Why would I not follow you again? You are going higher, Abuja straight Sir. I pray God will give you the strength and good health to accomplish the task. I am your boy **ODUMADE BIODUN (YOMOCO)** Ogun waterside

OGD is a Trade Name out there.

A lot of people benefitted from your govt Sir (High, Middle & lower Class)

I could remember vividly in our Ward (Iwopin Ward 1) of Ogun Waterside, a man called **Baba Yaro** who won a Nissan Sony Car in one of your Rally at Abigi with just #20, the man as at that time cannot even afford a bicycle not to talk of that Precious gift, and that opportunity change the status of the man.

So, **Your Excellency Sir!** is a Project of all, most especially "We that have benefitted/Still benefitting from you directly/indirectly" May Eledumare continue to strengthen us all.

God bless His Excellency Otunba Gbenga Daniel OGD!
God bless OGD Team!

Long Live to all OGD Supporters

Comrade Adegbenro Taorid Oladele Ib.

Iwopin Ward 1, Ogun Waterside.

"OGD that's the only person I ever went out to vote for in my life

Watched him from 1999-2003 come to AIT weekly building momentum for 2003

He used to say "we'll do this and that"...used to wonder who the we were till a woman called him on kakaki one day to ask him who the we were (would have called too ask the question but

GSM was practically new then and I was young just graduating, jobless)

Well his response that day remained in my mind forever.. he responded by telling the woman that he was sure from her question that she was from Ogun state, asked her where she was from and she told him.. he told her constituency and told a story of when they went to the night market around there, met a woman selling fish and gave her 2k then only to return back and the woman was so thankful because with the 2k she had become the major fish supplier in the night market... So he told the woman that if she really wanted to know who the WE are then she should join the gateway foundation train because WE were going to lift Ogun state up together.

90% of us egba boys used to leave Abeokuta for Lagos.... I saw friends that stayed back then when he came in and were better for it.

I saw Ogun state grow. Was tempted to come back to work in Abeokuta.

Saw boys leave Lagos to come to Abeokuta to work.

I have a colleague that was working with Jide Taiwo...took a chance to come build Jide Taiwo in Abeokuta then. I knew what Toyin Aluko had become by 2007.

For me...OGD remains the best thing that ever happened to Ogun State.

Abeokuta didn't have a real estate industry till OGD came. The development of Berger to mowe expanding happened under OGD.

Bureau of Lands wasn't working before OGD And stopped working after OGD."

- **Jide Oluwadeyi**

"...I refer to his promises to Ijebu Igbo community exactly a year ago that he came and launch the Polytechnic for us.

When the Governor (OGD) promise to actualize the Polytechnic project, some people thought he was deceiving us but i must say that Daniel is a pride of the State, very humble and sincere personality, Ijebu Igbo polytechnic is now a reality and thank to him sincerely".
Senator Biyi Durojaiye APC Chieftain

Good afternoon Your Excellency Sir, I want to appreciate you once again for the wonderful seed you sown 15 years ago through the Ogun State Human Capital Development Program of your administration as Governor of Ogun State.

Today, apart from getting a PhD in Information Systems last year from the Rhodes University, South Africa, I recently got an offer to Lecture in Information Technology at the Graduate

Apprenticeship Programme of the University of Dundee, Scotland.

I am grateful to you and thank God for using you to give us wings.

God bless you more, and your entire family.

Your children would never lack anything good and your joy will continue to overflow in Jesus mighty name.

Amen!

I have since resumed in Dundee, full-time to the Glory of God.

Your protégé **Oláñrewájú LEWIS _Ph.D_**

It is a great pleasure for me to write to you to say a big thank you for providing helping hands at the darkest period of my life.

Sir, in late 2006, while you were still serving as executive Governor of Ogun State, I got your contact through Mr. Sanyaolu Gabriel (a staff working at the Governor office at Oke – Mosan).

After I explained my situation to him and how I needed your help, he gave me your mobile phone number and I sent you a short message and explained my desire for your help particularly with respect to employment.

To my greatest surprise, you replied my text message in the middle of the night with a sound of hope for me.

Sir, your big help of years back promoted me to actualize my dream.

I am glad to inform you that I am now a PhD holder in Management Science from Ladoke Akintola University of Technology, Ogbomoso, Oyo State.

Sir, you did not just facilitate my employment, you pronounced on me in your text message that I will be great, to the glory of God, your words came to pass in my life.

Today, I am glad to inform you that:

I am a PhD holder (2020).

Fellow, Chartered Institute of Administration (2019).

Associate Member, Chartered Institute Personnel Management (2019).

Full Member, Nigeria Institute of Management (2019).
Full Member, Institute of Strategic Management (2010).
Full Member, Institute of Business Strategy (2014).
Master of Science, from University of Lagos (2012)
Master of Science from Olabisi Onabanjo University Ago – Iwoye (2011).

In addition, in a month's time, I will be inducted into:

Academy of Management
African Academy of Management
The Academy of Management, Nigeria
Sir, words cannot fully express my profound appreciation to you for providing me help that propelled the actualization of my

dreams.

Thank you & God bless.

Yours sincerely,

Dr Adekunle Olusegun .A

By 18th of June 2025 Gateway Polytechnic Saapade will be 19yrs. It has over 600 employees (direct and indirect). Massive development in Isara Remo, Ode Remo, Ipara Remo as a result of your amazing initiative. Thanks Otunba Gbenga Daniel.

- **Dr Adekunle Olusegun. Gateway Poly Saapade/OGD Apostle**

Ever since OGD left governor's office, Ogun state has not being blessed with someone who take education so serious.

We miss OGD for such brilliant performance. We had surplus and qualified teachers then. My sets then was blessed with the person I took as my role model in teaching till today. He is a very nice, neat, discipline and brilliant teacher I ever known ... Alh Abdulateef Omoniyi Aderinoye is the name. Now a VP at REMO SECONDARY SCHOOL

Thank you sir for being impactful. The way you had written your lesson notes, week by week is indeed praiseworthy. We had poor background in biology throughout our SS1 but first term SS2, you were transferred to my school and our biology was reshaped and made interesting for all of us.

Hardly you would see any of my sets then not writing or reading biology even commercial and art class students. Almost 350 students of my set then scored at least B's while I scored A1. May God reward you sir abundantly.

- **Taofeek Mayowa Salami**

Back in August 2004 you appointed me to join you to work with Ogun State, fast forward Kehinde Sogunle trained my son, took him to Krestal Laurel, did an interview low and behold today August 2023 my son the mechatronics engr starts to work in your company. You have built a generation through me and you are building another one now thro my son..How do i thank you sir? I am happy My God will always meet you at your point of need. You will be extremely happy sir. I thank you from the bottom of my heart. God bless you and yours mightly

Have a lovely day our own Pride, Distinguish Senator of the Federal Republic as you continue to soar higher at the Red Chamber.
Sincerely Yours
- **Chief Ayo Olusanya**

My Distinguished Brother,
Please accept once again my congratulations on the first reading of the Aviation College Bill. You are indeed, a shining light in the Senate, and you will, no doubt transform the legislative process and bring numerous benefits to Nigerian citizens.

As Chairman, Yoruba Unity Forum, and a friend of many years, I am very proud of your impact on the Senate, and your enthusiasm for people-oriented legislation. Please keep up the good work. May more abundant mercy, Grace and peace be multiplied to you.
